COLLEGIATE CO-CHAIR OPPORTUNITIES

The 6th Annual Midwest Collegiate Computing Conference – MWC3 March 26-28, 2026

Purpose:

Grand Valley State University is hosting this year's event for students from regional colleges/universities in a variety of computing competitions.

Throughout this affordable two-day event, students will also

- Network with industry professionals
- Connect with employers looking to fill internships and full-time positions
- Learn about current trends in IT through both keynote and breakout sessions

Conference Attendee Profile

Over 100 of the top computing faculty and students, majoring and minoring in the computing disciplines from the region's colleges and universities, will attend this 6th Annual event as the culmination of their academic year.

Collegiate Co-Chair Benefits - $1,500/$2,000*

- **Complimentary conference registration for all undergraduate students from your college/university**
- Recognition of your status on the event website with a link to your Computing program on our website, as well as in all publicity materials, signage, and our conference program
- An exhibit table to promote your school and Computing Education opportunities
- Faculty members may become part of the Conference Committee (optional)
- A letter of appreciation for the faculty volunteers sent to their college upon request
